

Brian Malow

Tues., Dec. 8, 7 p.m.

Motorco Music Hall
723 Rigsbee Ave.
Durham

RATIONAL COMEDY FOR AN IRRATIONAL PLANET

In addition to performing as the Science Comedian, Brian Malow has produced science videos for Time Magazine and audio pieces for Neil deGrasse Tyson's radio show.

Malow has been a blogger for Scientific American and currently works in science communications at the NC Museum of Natural Sciences, where, among other things, he hosts a weekly science cafe.
